

Binah Capital Group Promotes Christopher Motta to President of World Equity Group

April 9, 2026

NEW YORK, April 09, 2026 (GLOBE NEWSWIRE) -- Binah Capital Group (NASDAQ: BCG) ("Binah" or the "Company") today announced that Christopher Motta has been promoted to President of World Equity Group (WEG), one of four broker-dealers owned and operated by Binah, based in the greater Chicago area. Motta most recently served as Chief Operating Officer of PKS Investments, another Binah subsidiary, where he spent five years strengthening the firm's operations and deepening its relationships with Binah's advisor network.

"Chris earned this promotion," said Craig Gould, Chief Executive Officer of Binah Capital Group. "He proved himself as a strong operational leader in five years at PKS. When the opportunity opened to lead WEG, he was the obvious choice."

"This is a tremendous opportunity, and I'm excited to take on this role," said Christopher Motta. "WEG has a strong reputation and a loyal base that chooses to work with the firm for that reason. My job is to protect and build on that strength. I learned a great deal about our market opportunities at PKS, and I'm grateful that the leadership at Binah provided me with the space to grow into this role. I'm ready to get to work with our WEG team."

Motta has spent more than 27 years in the independent broker-dealer industry. He joined PKS Investments in 2020 as COO, where he oversaw day-to-day operations, led process modernization efforts, and managed relationships with advisors and referral partners.
